

# Student Success Story:

Stevie says our Executive PA Diploma helped him to get his dream job!

Shortly after completing his Executive PA Diploma with us Stevie contacted us to tell us that he had found a position as a 'floating' PA at the Greater London Authority.

Within a few months of joining he has now been promoted to a Senior Personal Assistant role for one of the GLA Directors.

*"I know my course played a massive part in proving at interview that I am a competent PA so thank you".*

**"I had to write to you to thank you so much for helping me through the course it has definitely been one of the best things I have ever done and more than paid for itself as well".**
